

Finding Favor With the King: Preparing For Your Moment in His Presence

Tenney takes readers to Esthers pre-Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction. A Jewish girl of no royal heritage was chosen to become the Queen of Persia. Was it her beauty alone, or did she know an important and mysterious truth? Tenney challenges his readers to move beyond formal petitions or even storming the gates of heaven to that intimate embrace of worship where the brides petitions move the Kings heart and where kingdoms, people, and situations begin to shift like pawns on a divine chessboard.
