

Hot Rain

Allie Parker knows her best friend's death was no accident, and her quest to find the truth soon puts her in the wrong place--at the worst possible time... Before long, the heat rising between Allie and Jake has drawn them into the heart of the steamy Caribbean--and into something deeper than they ever imagined. Now as Allie places her trust--and herself--in the hands of a total stranger, she wonders if this desperate gamble will be her last...
