

Scandalous - Complete Series

Here in one Complete Collection are the Four Stories that complete the Scandalous Series, another wild and wicked story with a potent mix of romance and deep passion by Katelyn Skye. For the last three years, Ericka has only ever heard Tristan Price over the phone. As his brother's secretary in Maine they've only ever spoken briefly, but there is something about hearing his voice on the other end of the line that always makes her heart skip a beat. When Tristan comes to Maine to take the vital role in his family's business while his brother William is in recovery from a health scare, nobody knows what to expect from the exacting, sometimes frustrating but completely irresistible Tristan. He never expected either that his new secretary, Ericka would be one of the most beautiful creatures he'd ever laid his eyes on. Despite the rumour he knows the office has heard about him, Tristan is hell bent on avoiding an office hookup. But as Ericka's insecurities about working for a new boss melt away and the two become much closer than they ever imagined, Tristan makes her a daring proposition that will send both their lives into a storm. But will Ericka up to the task?

This series is a contemporary romance featuring searing and graphic depictions of romantic activity.
