

Spectrum

Sparks fly the moment Bryn Nakamura lays eyes on Anna Fitzpatrick, and not in a good way. Driven, reserved, and recovering from another encounter with a life she would rather leave behind, all Bryn wants is to forget about Anna and focus on her beloved vineyard but Fate has other plans. No matter where Bryn goes, Anna seems to be there, and despite how annoyed she is by this development, she can't help but be charmed by Anna's warm smile and easygoing charisma. But as carefully constructed walls come down, new obstacles take their place, leaving Bryn to question who she is and what she truly wants out of life.
