

How to Be a Christian in a Brave New World

This book serves as a guidebook for believers, to awaken their interest, offer practical help, enable them to think through big questions in light of Scripture, and prepare them for the greatest issue of the 21st century: our new power to redesign human nature and determine the boundaries of human life through abortion, cloning, euthanasia, eugenics, and robotics.

This brave new world that we've entered is a daunting one as well, with disturbing implications for the sanctity of life and for human nature itself. How should we
