

## All I Want Is You (Forever and Ever) (Volume 1)

The First Installment of the Forever and Ever Series. Cayson is in love with Skye Preston, his best friend for over twenty years. They grew up together, bathed together, and spent every holiday together. Hoarding the secret hasn't been easy. Every time Cayson sees her with a boyfriend, he wants to smash his fist into a wall. But he could never tell her the truth. The close friendship they have is too good to be ruined. If he confessed his deepest feelings, how would it change what they have? Would he lose her altogether? But everything changes when Cayson finds Skye at a party, drunk and incoherent. Unable to stand on her own two feet with breath reeking of alcohol, she's easy prey to the men staring at her noticeable chest. Cayson immediately scoops her into his arms and takes her home. But when they arrive at the house, Skye doesn't want to sleep. Instead, she wants Cayson in a way she's never had before. What will this mean for their relationship? Is it the start of something Cayson has always dreamed of? Or will it be the end?
