

# Forever, My Homeland: The Final Book in the All My Love, Detrick Series

A group of Americans decides to tour Israel with their Synagogue. But unbeknownst to the other members of the Temple, one of the visitors has a secret that compels her to take this trip to her Jewish homeland in search of answers. Meanwhile, a group of radical Islamists plans to use the American visitors as a way to bend Israel's policy of never negotiating with terrorists. They will use any means necessary in order to free members of their group who are being held in Israeli prisons.

However, in order to achieve their goal, the terrorists must contend with Elan Amsel, a Mossad agent who has devoted his life to the survival of his beloved Israel. He believes that nothing can break him, that is, until the fate of two innocent girls is thrust into his hands. *Forever, my Homeland*, is the story of a country built on blood and determination. It is the tale of a strong and courageous people who don't have the luxury of backing down from any fight, because they live with the constant memory of the Shoah and in the back of their minds, there is always a soft voice that whispers *Never Again*.
