

# On Asking God Why: And Other Reflections on Trusting God in a Twisted World

God does many things we do not understand. When faced with suffering, sickness, death, and confusion, most people can ask only one question: why? Elisabeth Elliot, one of the outstanding women of present-day Christianity, knows too well this feeling of uncertainty. But she also knows that God will answer. Now releasing with a fresh cover, *On Asking God Why* is a perceptive collection of Elisabeth Elliot's own meditations that confront the many issues we must deal with in our daily lives, from the ordinary occurrence of another birthday to serious topics like funerals, abortion, and divorce. With great insight and candor, Elliot reminds readers that we can overcome our fears when we decide to question God, because in Him we can find every answer we need.
