

Avoiding Commitment

Book 1 of the Avoiding series Jack and Lexi never had a typical relationship. After 2 years without speaking, she receives a phone call that changes everything. He unexpectedly asks her to convince the new girl, Bekah, that hes ready to commit. Jack is calling now after everything they had been through because there is another woman. She cant believe it. Follow Lexi in this heart wrenching drama as she relives her past relationship, or lack thereof, with Jack, and not just in her own mind, but to his fiance-to-be. Throw in Bekahs hot brother who always seems to be in the right place at the right time, a past with more secrets to unravel than you can even imagine, and you get a recipe for disaster. Find out what happens to Lexi as she travels to Atlanta to get the closure she so desperately desires from Jack, and how the bumps of life seem to keep getting in the way.
