

## Beautiful Series, books 3 & 4

Lilliana Anderson's bestselling Beautiful series can all be read as standalone novels. This Kindle Unlimited edition, contains A Beautiful Melody, A Beautiful Rock, plus a bonus novella, Devotion: the Beauty in Between.

New Adult romance A BEAUTIFUL MELODY Naomi thought shed met someone wonderful when Elliot came into her life, but he simply wasn't into her. It's the story of her life. While everyone around her is settling down, she gives up on trying to find her Mr Right, and turns back to the one thing she has always loved - music. Enter Marcus, he was a year above Naomi at school and she always had a killer crush on him. He now fronts a band with his older brother Theo. Marcus has the reputation of a playboy and Theo, well... he's just bad news. But their band is doing well and Naomi has the chance to join. After spending some time in their company, Naomi sees something in each of them she can't ignore. She wonders if joining the band was perhaps a bad idea - you should never mix business with pleasure. Especially when that pleasure could divide families...

A BEAUTIFUL ROCK After the video of his public outburst catapulted him to superstardom, Our Hero now has everything he ever wanted. Or so he thought. Be careful what you wish for, his mother always told him... After spending two years touring the globe, he's growing tired, and that endless line of women has become a sea of blurry and meaningless faces. When he returns home and receives a visit from his previous object of affection, he finally starts to look at himself and what he's become. He doesn't like it. Something has to change... On the surface, Lisa is a pretty simple girl. She goes to work, spends time with her friends, and adores her dog, Perry. She loves the quiet life and isn't interested in the bright lights of Marcus's world. So when he takes an interest in her, she makes it very clear that she doesn't want what he's offering.

You see, Lisa has secrets, and being seen with Marcus will be the key to her undoing. Being a man used to getting what he wants, our Hero won't be taking no for an answer. For the first time, he has met someone who he feels a definite connection with, and he won't be taking no for an answer - even if it means inadvertently ruining everything Lisa has worked so hard to conceal... Will our Hero and Lisa find a way to deal with her secrets and be together? Or will she push him away, ensuring our Hero is destined to always have his affections unreturned?
