[Siren LoveXtreme Forever ManLove: Erotic Alternative Fantasy Menage Romance, M/M/M/M/M/M/M/M, demons, BDSM, spanking, public exhibition, sex toys] Myst doesn't know how to get the things he needs without pushing his lovers away. His darkest desires have driven a wedge between them, and he's at a loss when it comes to bridging the gap. The irony that he'll need to face his own inner demons isn't lost on him, either. With so much discord in their home, it's a wonder anyone even remembers they have one final challenge before the equinox. Things are spinning out of control, but Echo has no idea how to bring them all together again. When things finally come to a head, and Myst is forced to reveal his deepest secrets, it will take a combined effort to bring the demon back from the brink. Will they lose the warrior to his own hell? Or can their love rescue him in time to face their newest enemy? NOTE! You are purchasing Siren's newest serialized imprint, the LoveXtreme Forever Series. This is Book 8 of 9 in the Fatefully Yours collection. These books are not stand alone. Each is a continuation of the previous book and must be read in the numbered order. Each book may end on a cliffhanger but usually with a happy-for-now for the beta hero and one or more men. The final book contains a happily ever after for the beta hero and all his men. \*\* A Siren Erotic Romance
