

Author Publicity Pack: Resources to Help You Take Your Book Marketing To The Next Level (Book Marketing Success 5)

Did you know that each place you list your book online increases your books exposure and provides a backlink to your book or website which helps increase your SEO (search engine optimization) and Google ranking? Its true. But each time you share about your book online, youre not only telling Google that your book is important, youre also getting publicity for you and your book. Publicity: the act of getting public notice. It sounds like something that only big publishing houses can afford to do, yet any author can increase their publicity and their book sales and do so on little to no budget. This book will outline some of the places that authors can get publicity for themselves and their books. Dont feel like you have to list your book in each and every place we list within this book, but choose a few to start with, and then add your book to other places as you have time. Lets get started! Join us and take your marketing to the next level by publicizing your book.
