Isabella Natale is living a double life. By day she turns out desserts in the family bakery. But at night she transforms into The Crimson Rose, Chicagos hottest exotic dancer, an enigmatic siren whose velvet mask and G-string drive men wild. Nobody knows about her secret not even Nick Santori, the strip clubs hot new bodyguard and her first crush. He always treated little Izzy as just another sweet kid. But there's nothing sweet about his sizzling reaction to Rose. So what's a girl to do but show the man of her dreams that while it's okay to look, it's much better to touch?
