

# The Line Collection

Four sexy stories, one sizzling price! The Line Collection includes all four Line novellas, including Love On The Line (Violet and Noahs story), Drawing The Line (Serenity and Jasons story), Outside The Lines (Jules and Blakes story) and Pushing The Line (Harper and Aarons story), plus recipes and bonus material not previously published in the Trilogy. Dont miss this chance to snap up the series that USA Today calls smart, tart, and sexy!

Love On The Line: Violet Morgan puts the personal in personal chefright up until her twin brothers detective partner is injured in the line of duty. The last thing Violet wants is to get up-close and personal with tough, gruff Noah Blackwellagain. But despite their differences, Noah and Violet find heat in more places than the kitchen. When Noah goes back to active duty despite Violets deep-seated fears, will these two simmer down, or will their feelings boil over? Drawing The Line: Detective Jason Morgan must protect Serenity Gallagher from one of Brentsvilles most vicious criminals after she witnesses a brutal crime at her diner. The task is easier said than done with Serenity reluctant to leave Macs, the only place shes ever called home. As they bide their time in protective custody, the stakes get higher and the sparks burn hotter for Jason and Serenity. But can they draw the line? Outside The Lines: Julianna Shaw walked out of Dr. Blake Fishers life eight years ago. He never expected to see her again, let alone be tasked with coordinating Brentsville Hospitals charity fundraiser with her. But the sexy diner manager has secrets, ones that change everything both Blake and Jules once knew about love. Will the truth bring them back togetheror send them apart for good? Pushing The Line: Artist Harper McGee has never met a change of address she didnt like. So when she comes back to Brentsville to settle her beloved grandmothers final affairs, its not for an

extended stay until Harper discovers that her grandmother has bequeathed her the family candy shop. Firefighter-slash-contractor Aaron Fisher is all too willing to help her with the renovations needed to sell the shop, but will he fix up her guarded heart, too?

The heritage MAMbo and Museo Morandi together hold a fund of over 5.000 works, of which more than 250 represent a specific collection of the utmost THE LINE is inspired by industrial design and the growing need of THE LINE is a versatile collection of tables and stools made with a simple fusion of raw Launching in 2018, the Line Collection features a selection of black edged tables, benches, and chairs.
