New York Times bestselling author Jaci Burton strips a woman of all inhibitions in this rousing novella of reignited passion... Sixteen years is a long time to carry a torch for an ex-husband, but Lisa has been through a lot with Rick, including a rocky marriage, a divorce, raising a daughter together, and developing a solid friendship with him in the wake of it all. But she has to admit to this day, no other man has ever been able to replace him in her fantasies. Lisa is not alone in her desires. Rick has not only wanted to reignite the flame that he and Lisa once had together, but maybe even throw a few new kinks into the fire. On a tropical island getaway, they plan to test the waters which means risking a hard won friendship for something more. For something wild. For something that could totally be worth the risk. *The Ties That Bind* previously appeared in *Unlaced*. Includes a preview of *Thrown by a Curve*.
