As the head of his family, Robert Beckford, the Earl of Masten, was accustomed to dealing with various problems his siblings had caused of one sort or another. However he wasn't prepared when his cad of brother ruined and then abandoned a young lady. To right the wrong, Robert married the girl himself; but his chivalry only went so far. He didn't want a wife, and most certainly not a scandalous one. So after repeating his vows, he sent her packing, off to a secluded estate and expected her to stay put. After years of mistreatment at the hands of her family, Lydia was prepared to be an accommodating wife; but her rigid and unforgiving husband asked too much of her. After languishing for years in her opulent prison, Lydia leaves her country estate for the glamour and excitement of London and unfortunately her husband's path. ~ * ~ In A SCANDALOUS CHARADE, fire meets ice... Handsome ladies man Lucas Beckford has agreed to help his friend, an impoverished baron, win the affections of an icy heiress. It should be a simple task, especially for a seducer of his reputation. However when Luke catches sight of the enchanting lady, he is captivated with her pretty brown eyes, quick wit, and sharp tongue; and his desire to see his friend marry the girl quickly evaporates. Now he just has to find a way to convince the penniless lord to turn his attentions elsewhere leaving the Ice Princess to him. Lady Juliet St. Claire has always believed that her fortune would protect her from ever having to relinquish her freedom in marriage. Though fortune hunters endlessly hound her, Juliet's outwardly cold demeanor keeps most of them at bay, licking their wounds or patching up their pride. However when

Luke charms his way into her life, he easily melts more than just her heart. Unfortunately, the rogue is of the love em and leave em variety, and leaves Juliets tender heart in pieces. But when her fortune lands her in danger from an unscrupulous foe, Luke returns to her side, offering his help and protection. Now Juliet has to decide if her heart is strong enough to trust the rogue a second time. ~ * ~ In A SCANDALOUS SECRET (novella), Two times may be the charm... Chester Peyton, the Marquess of Astwick, has never forgotten his first love. Nor has he ever gotten over her. But now thirteen years later, time has come for him to finally settle down and do his duty as far as both his title and his dragon of a mother are concerned. Everything would be so much easier if Chets heart didnt still belong to the enchanting Scot he gave it to once upon a time. After following her late-husbands regiment from one end of the continent to the other, Lady Hannah Campbell returns to London a very different woman than the naive lass she once was. With her two sons in tow, she now has to navigate the waters of the ton, which seem more foreign than the lands she has traversed the last dozen years. And all the while, she has to keep hidden the scandalous secret that made her flee England so very ago.
