

RISE: Even Death Cant Stop Me

Every adversity, every failure, every heartache carries with it the seed of equal or greater benefit. -Napoleon Hill What if your past hurts, mistakes and failures actually held the key to fulfilling your purpose? What if a story that you concealed because of shame had the power to unlock someone else's destiny? Would you have the courage to share it? Frank Thomas struggled his entire adult life with shame from the devastating effects of an unrelenting childhood and the worst mistake he'd ever made. That is, until one day he found the courage to tell his story and it changed everything. **RISE: Even Death Cant Stop Me** is the compelling story of one boy's battle to overcome poverty, mistakes, shame and negative self-limiting beliefs. It's about getting knocked down and sometimes knocked out, but choosing to persevere when life shouts, Stay down and quit! It's about the spirit inside that cries, Rise and fight! Frank Thomas found the faith to turn everything that could have been a reason to quit into a reason to succeed, and recognized his responsibility to use his story to help liberate others trapped in the shame of their past. This is that story. Meet Frank and receive his latest free resource *The Power of a New Story* at thefrankthomasstory.com
