

The Gunsmiths Gallantry (Ladies Shooting Club)

Can the shy gunsmith and the widowed storekeeper find love when everything around them is in an uproar? Hiram Dooley has problems--women problems! His sisters about to leave him to get married (if Sheriff Ethan Chapman ever proposes); his sister-in-law, Rose, thinks Hiram should marry her, since they're both widowed; and the woman he truly loves, Libby Adams, is blind to his regard. The schoolmarm has a different problem--a man claiming to be her uncle came to Fergus...and then disappeared. Did her father kill him? Can the Ladies Shooting Club once again ride to the rescue?
