

Champagne Kisses (The Drakes of California Book 2)

An heir to Southern California's most fabled vineyard, Donovan Drake works as hard as he plays. Betrayed by love in the past, the consummate bachelor prides himself on never committing to one woman. But Marissa Hayes isn't just any woman. And Donovan has just two weeks to show the guarded, voluptuous beauty exactly what she's been missing. Falling for her boss is number one on Marissa's list of don'ts. But from the moment she experiences Donovan's intoxicating touch, her heart tells her something else. Slowly but surely, his seduction is breaking down her defenses. Is their passion as fleeting as her brief stay at Donovan's fabulous resort? Or have they found a love as timeless as the finest wine, strong enough to withstand anything, even a threat from Marissa's past?
