(A Suncoast Society series book.) [Siren Sensations: Erotic Consensual BDSM Menage a Trois Romance, M/M/F, with M/M, HEA] Two years later, Susie mourns the death of her beloved husband and Master, but that aspect of their lives was secret. She now self-medicates with work and thinks love - and passion - are things of the past. When attending her twenty-year high school reunion, her only bright point is reconnecting with beloved friends, Grant and Darryl. As kids, Grant and Darryl didn't understand their feelings for Susie...or for each other. It took Darryl going through a disastrous divorce before the men got together and Grant could claim Darryl not just as his partner, but as his slave. They have to keep all aspects of their relationship hidden because of their jobs, yet they immediately recognize the significance of Susie's bracelet. That Grant and Darryl now play a far sexier version of Dungeons and Dragons only seals the deal for Susie. When outside forces try to destroy the men's careers, can Susie take the initiative and save their newfound happiness? ** A Siren Erotic Romance
