

Deadly Deals (Sisterhood Series)

A #1 New York Times Bestselling Author -- Rachel Dawson and her husband's dreams came true the day they brought home their newly adopted twin babies. Until the birth mother reappears, first demanding more money, then the twins themselves. Suddenly their lawyer, who had charged a hefty six-figure fee to arrange the surrogate, was nowhere to be found. Attorney Lizzie Fox couldn't wait to take the case -- this was just the kind of crime that got the Sisterhood's adrenalin flowing.
