

## Best Friends: The story of Dogs for the Disabled

Dogs for the Disabled is a charity that trains dogs to live and work in partnership with disabled people. This book tells movingly of how the lives of physically disabled adults and children can be transformed by having an assistance dog trained specifically for them. Its pages tell the story of how the charity came into being, thanks to the courage, grit and determination of its founder, and provide insights into the training given to the dogs and their humans on the journey that makes them perfect partners.
