When being ready takes on new meaning and coffee may not be enough to save Drake and Adam. Adam Hughes keeps over committing, but this time he's committed both he and Drake Knowles to something beyond anything they've ever experienced before. Drake has never really contemplated being a parent until Boyd and Ben come into their lives. He's amazed at how awesome they all get along and how rewarding parenting is. Then all hell breaks loose when Boyd and Ben's father shows up. Will Adam and Drake be able to prove they are the perfect parents for the boys, or will they lose the two kids who have become their heart and soul just as the Christmas season gets into full swing.
