

Double Exposure (Lisa Jackson Archive Series Book 2)

Gavin had loved Melanie-along time ago. Now, returning to Taylors Crossing, he wanted only to forget her and the promises theyd forged in the heat of passion. Promises shed inexplicably broken the moment hed left to secure their future. To Melanie, seeing the infamous world-class skier was like lightning striking twice--thrilling but terrifying. Pent-up passion still blistered the air around them, but the bitterness in Gavins eyes was glacial. He thought shed betrayed him, but he hadnt known of her desperation without him, hadnt known of the child theyd conceived....Dare she bare herself to his accusations--twice?
