

The Awakening of Faith: Attributed to Asvaghosha (Translations from the Asian Classics)

Whenever I have questions on Mahayana Buddhist doctrine, I return to this text and Professor Hakedas interpretation of it. I wonder if I will ever encounter a work that is at once more profound, attractive, and mysterious than the Awakening of Faith. -- Ryuichi Abi, from the introduction
First published in 1967, Yoshito S. Hakedas critical interpretation of the Awakening of Faith has become a classic. This edition, which includes a new introduction by Ryuichi Abi, presents a beautiful and accessible translation of one of the most influential works in Mahayana Buddhism.
