

Mail Order Bride: CLEAN Western Historical Romance : The Royal Bride Meeting Her Reluctant Lumberjack (Brides & Nobles of Nevada Book2)

How does a man intent on getting a mail-order-bride end up as the temporary mail-order-husband for his friend? In 1867 Highland, Nevada, anything is possible! Lucille McCain is tired of her current life... Being of Scottish royal blood, she will never be able to live down the mistake of having a baby out of wedlock so long as she lives under her grandmother, Elizabeth's rule. When the old woman tries to force Lucille into a loveless marriage with the man she despises the most, Lucille desperately seeks any alternative... And her request is granted on one condition. Lucille has seven days and free rein to marry any wealthy man that will have her... or lose custody of her six-year-old son. But the Highlands are far from any well-to-do suitors, and the deadline is short. She doesn't stand a chance. Not till she realizes there is a solution to her problems, if only a temporary one. Sam Bates is her only solution. Sam Bates has got no heart to give a wife, since Lucille has always held his affections. With their classes so far apart, the lumberjack knows that any relationship between them will never happen. But when the idea of becoming her impromptu husband is offered, Sam doesn't refuse. But nothing is as easy as it seems. Sam and Lucille quickly find themselves to be just a couple more pawns on Elizabeth's elaborate chess board. Each square reveals another secret and their moves are being watched. Will their scheme be exposed by the old woman? Will they fall in love with each other even though their status is so far apart? *** FREE DOWNLOAD *** YOU CAN GET A CLEAN WESTERN SHORT STORY ROMANCE, FOR FREE - click here to find out more > bit.ly/fayesonjabooks (just copy and paste into your browser) This is a sweet and CLEAN WESTERN ROMANCE short story.
