

Gabriels Bride (A Clover Ridge Novel)

Rachel Yoder has two choices: marry Gabriel Fisher or move to Ohio. As an orphan, Rachel doesn't have much to offer; any match she can make will be a good one. She just didn't plan on Gabriel with his big hands and permanent frown. As a widower, Gabriel needs help caring for the farm and his six children. But he never thought he'd marry a slip of a girl who barely reaches his chin. Yet as time passes, Gabriel finds himself thinking about a real marriage. They have spoken vows to God and each other, but can he risk his heart with Rachel?
