

Gifted and Talented Children in the Regular Classroom

World renowned leaders in gifted education, Dr. E. Paul Torrance and Dr. Dorothy S. Sisk team up in *Gifted and Talented Children in the Regular Classroom* to share their wealth of experience. The authors believe that it is time to devise concepts and procedures which will engage the gifted and non-gifted in such a way that all children may attain their highest potential. In *Gifted and Talented Children in the Regular Classroom* this is precisely what they attempt to do.
