

Loves Violet Sunrise: Christian Historical novella (American State Flower)

With her brother facing trial for a murder he didn't commit, German immigrant Mabel Krause needs a lawyer who can help prove her brother's innocence. The only trouble is--she can't afford one. Hiram Cummings needs money to return to law school, and the fastest way to earn it is by working as a legal clerk for the powerful and rich Rhett Vandergriff. When a desperate immigrant comes to him for help, he finds himself on a mission to prove a man's innocence, risking his job in the process. But all is not as it appears, and Hiram soon learns that not only is his job at risk, but he's also in danger of losing his heart--if he and Mabel don't lose their lives first. *Loves Violet Sunrise* is a prequel to the bestselling *Eagle Harbor Series*, as well as part of the *American State Flower Collection*.
