

The House Guests (Gm)

The House Guests, a classic memoir of animal companionship from John D. MacDonald, the beloved author of Cape Fear and the Travis McGee series, is now available as an eBook. A master of the noir novel turns his sharp insights and considerable narrative talents to the human-animal bond in this charming work of nonfiction. In *The House Guests*, John D. MacDonald tells the story of his family's unforgettable pets: tomcats Roger and Geoffrey, two mischievous boys whose zany habits and remarkable senses of humor endeared them to everyone they met, and an extraordinary goose called Knees. Both a rare peek inside MacDonald's private life and a fascinating compendium of information about the animal kingdom, *The House Guests* is by turns touching, hilarious, and absorbing, sure to mesmerize MacDonald fans and pet lovers alike. Features a new Introduction by Dean Koontz. Praise for John D. MacDonald: The great entertainer of our age, and a mesmerizing storyteller. Stephen King: My favorite novelist of all time. Dean Koontz: To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen. Kurt Vonnegut: A master storyteller, a masterful suspense writer ... John D. MacDonald is a shining example for all of us in the field. Talk about the best. Mary Higgins Clark
