

How to Negotiate Anything: A Freelancers Survival Guide Short Book

Most people hate negotiating. Instead of learning it themselves, they hire someonean agent, a lawyer, a managerto negotiate for them. But negotiators often do not have their clients best interests at heart. In this short book, international bestselling writer Kristine Kathryn Rusch shows you how to negotiate anything from buying a car to buying a house, from handling a book contract to handling a negotiator. If you have ever negotiated anythingand who hasnt?then this book is for you. Award-winning, bestselling writer Kristine Kathryn Rusch has published books under many names and in many genres. She has owned several businesses, and has worked for herself for more than thirty years. For more information on her work, go to <http://www.kristinekathrynrusch.com>.
