

Ms. Match (Mills & Boon Blaze) (The Wrong Bed series)

Waking up in a hotel room next to a nearly naked Gwen Christopher is a shocker for Paul Bennet. Hmm, one too many the night before? After all, he's rich, successful and looks more like one of his movie-star clients than their PR rep. Paul can have any woman he wants. Any woman - except Gwens smokin-hot sister. Taking plain-Jane Gwen out as a favour was supposed to be his ticket in. And okay, sure, Gwens fun and smart and interesting - and absolutely amazing in bed. But she'd never fit in with his parties-and-paparazzi lifestyle. This is a total mismatch. So why is he so ready to dive back into bed with Gwen first chance he can?
