

# Hourglass

Of all Danilo Kiš books, HOURGLASS, the account of the final months in one mans life before he is sent to a concentration camp, is generally considered his masterpiece. A finely sustained, complex fictional performance. It is full of pain and rage and gusto and joy of living, at once side-splitting and a heartbreaker.--WASHINGTON POST BOOK WORLD.

An hourglass is a device used to measure the passage of time. It comprises two glass bulbs connected vertically by a narrow neck that allows a regulated trickle of sand to pass from the upper bulb to the lower bulb. The hourglass is sometimes referred to as a sand clock or a sandglass. Like other timepieces, it needs to be carefully calibrated. The hourglass maker must test the best foundations for oily skin, combination skin and dry skin with Hourglass Cosmetics - Shop Hourglass makeup including Shop our luxury lipstick collection featuring vegan and refillable Confession Shop for Hourglass at John Lewis.
