

The Kinky Billionaire 2: A BBW BWWM Romance

I've always had an attraction to Alex, but I never thought he'd have me tied to his bed begging him to take me... It's funny what life throws at you. A few years ago our parents got married and I gained a new step brother. While that marriage never worked out and I didn't see Alex for a number of years, a chance encounter had our paths crossing again. But Alex had changed. Now a billionaire with a kinky streak too taboo for most modern day Americans, I don't know whether to be scared or turned on! One thing for sure though, I can't get him out of my head. I want him... no, I need him. And if that means giving in to his kinky fetishes, then so be it... Suitable for over 18s only due to smoking hot sex scenes. Brought to you by Saucy Romance Books.
