

La Follette's Autobiography: A Personal Narrative of Political Experiences

Written in a clear, vigorous style, this account of Robert M. La Follette's political life and philosophy is not only a personal history, but in a large measure, a history of the Progressive cause throughout the United States. This is a book for every conscientious citizen. For, as Allan Nevins states in his Introduction, ... the battle La Follette led still goes on, and the lessons he instilled still need pondering.
