

A Perfect Storm (Edge of Honor)

He never saw her coming Spencer Lark already knows too many secrets about Arizona Storm, including the nightmare she survived and her resulting trust issues. But in order to expose a smuggling ring and continue avenging his own tragic past the bounty hunter reluctantly agrees to make Arizona a decoy. Yet nothing has equipped him for her hypnotic blend of fragility and bravery, or for the protective instincts she stirs in him. Arizona wants to reclaim her life, which means acting as bait to lure the enemy into a trap. Sure its dangerous, especially with a partner as distractingly appealing as Spencer. But as their plan and their chemistry shifts into high gear, Arizona may discover theres an even greater risk in surrendering her heart to a hero.
