

A Thugs Redemption: Hood Love 2

With Markus back in her life Tamina continues to struggle with who she wants and what she truly wants out of her relationships. Everyone keeps trying to tell her what's best for her and what she should do, especially her Momma. Tamina knows that things are only going to get more difficult if she keeps letting both Dante and Markus come into her life. She loves what Dante does to her body, but Markus does something to her heart that she just can't deny. Will she finally choose what makes her happy or will she end up without anything at all?
