I wont cheat you Glenna, Kane Morgan swore in the heat of passion. I promise youll find only pleasure in my arms. And pleasure searing, breathtaking, exquisite pleasure was what she did find as Kane took her innocence amidst the whispering pines of the Colorado wilderness. Lovely, flame-haired Glenna longed to give him her soul as well as her body, but she had come West to avenge her fathers death, and she could not promise her heart until shed brought his murderer to justice. Caught in a trap of her own making, estranged from the only man she would ever love, Glenna prayed he would return to make good his passionate vows, For only in Kanes strong arms could she find the sweet ecstasy of Promised Splendor.
