

Weathering Evan

Tammy Janeway is having some issues. Evan Knightly is at the root of all of them. Of course its not his fault that she has a massive crush on him. But she cant even be sure he deserves her adoration. One minute hes undeniably sweet and charming, the next he acts like a creep. Tammy is tired of feeling like a nervous teenager in her professional life. She knows shes making a fool of herself in front of the co-worker who is already dating Evan. She knows she cant stop thinking about him and she knows she wants to. But the one thing she doesnt know just might be the key to finding a fresh start.
