

## Capturing the Commando (Mills & Boon Intrigue)

Shannon Brandts mission had failed spectacularly. Instead of arresting AWOL Ranger Rafe Lyons, the merciless commando had kidnapped her tough, experienced FBI agent. Worse, she'd agreed to a deal with the devil and promised to help Rafe recover his abducted niece. Before long, her promise becomes a wrenching ethical dilemma. If she breaks the law to reunite a family, she'll ruin her career and dishonor her family. But if she plays it by the book, an innocent life may be lost. To further complicate her decision, Shannon finds herself falling for the arrogant, abrasive but undeniably attractive commando even though this dangerous mission might lead to both their deaths.
