

Jephtes Daughter

The pampered daughter of a wealthy Hasidic businessman, Batsheva Ha-Levi grows up in the affluent suburbs of Los Angeles. But everything changes when she turns eighteen and finds that her loving father has made a secret vow which will shatter her life, forcing her to marry a man she hardly knows and sending her to the exotic, golden city of Jerusalem. On her wedding day, she enters a strange and foreign world steeped in tradition and surrounded by myth. Shackled by ancient rules, she soon understands that to survive she will have no choice but to fight for her freedom, to reconcile her own need to live in the modern world with her ancestral obligations, and to choose between the three men who vie for her body, her soul, and her love.
