

Arthur Shawcross: The Genesee River Killer (True Crime Shorts Book 13)

In 1987, convicted murderer Arthur Shawcross was released on parole from prison, having served just 12 years of a 25-year sentence for murdering two young children. After being chased out of two neighbourhoods by concerned residents, he was eventually able to settle unsupervised into the town of Rochester. He would go on to commit 12 murders, selecting mainly prostitutes and even cannibalising some of the body parts after killing them. Also known as the Genesee River Killer, this is the story of one of America's most brutal serial killers. The True Crime Shorts series is intended to give the reader a short, concise account of some of the most gruesome crimes in modern times. Each book provides the reader with the essential facts concerning a serial killer, along with analysis that tries to comprehend their motives; no distractions, just the essential facts, allowing the reader to master the case in the shortest time possible.
