

Kundalini The Mother of the Universe: The Mystery of Piercing the Six Chakras

India is the mysterious land chosen as her own by Kundalini, The Mother of the Universe. What we read in old histories and Holy Bibles, and the records, can be seen there today. In India there are Yogis who perform such marvelous feats that Doctors, Scientists and Chemists are unable to solve them, and I may say, are unable to understand them. For instance, such feats, as lying down upon blazing logs of fire; walking over red hot fire that has been especially prepared by burning ten tons of wood, twenty men walked over this without a burn not even a hair on their feet; also feats of levitation, walking on water, etc., equally as astonishing.
