

Domestic Disturbance: My True-Life Adventure in Sibling Rivalry (True-Life Adventures)

Alls not quiet on the home front.Young children adore their parents. How they feel about their siblings is another matter. John Phythyon had an idyllic life until the day they brought him home. The arrival of a Little Brother turned his tranquil existence into a non-stop competition for their parents attention, for control of the television on Saturday mornings, and to determine once and for all who was the superior brother.In this comical mini-memoir, Phythyon turns his absurdist pen to reminiscing about how he and brother Dave teamed up to dominate the neighborhood in baseball, battled over toys at home, and managed to organize an all-out playground war between the fourth and third grades at school just to establish which brother was greater.
