

Hold My Heart

Barbara Delinsky's *Hold My Heart* Gillian Montgomery is a talented artist with a loving family and promising future. But her life takes a shocking turn when she loses everything in a plane crash and awakens from a coma seven weeks later. At first, she's confused: What is she doing in a hospital in North Carolina? And who is the incredibly handsome stranger who's been visiting her every day? His name is Jed Dawson, a man she met in an art gallery. He's taken her under his wing and into his heart as a favor to the grandmother she never knew she had. As Gillian grows stronger each day, so do her feelings for Jed. And with every kiss, he restores her passion for life with the power of love.
