

MAIL ORDER BRIDE: The Christmas Bride

Kayla Anderson is exhausted. Two weeks after losing her parents to a tragic accident she's penniless and has virtually no hope save an advertisement for a mail-order bride from a well-to-do rancher in Texas. Desperate for security and a way out of her grief, she answers the ad and finds much more than she bargained for. Curt Langley has been a rancher pretty much since the day he was born. Ranching is in his blood, passed down from his great grandfather. Taking over the ranch from his parents, Curt's been running it ever since. Unfortunately it only leads to a lonely life. In need of someone to provide maid services for him, he places a mail-order bride ad. When Kayla Anderson shows up to answer his ad he's more intrigued than he wants to let on. When she challenges what he thought he wanted, will Curt realize the blessing God brought him, or will he live the lonely life he's so used to? *This is a MOB short story and includes 20 western, historical, clean, MOB short stories by Christian Michael.*
