

Mail Order Brides & Babies: Rachel & The Rancher: Clean Historical Romance

Poor pregnant Rachel, abandoned by a heartless husband on a Western train to an unknown destination. No money. No one waiting at the end of the line. Her only hope is an advertisement on the lonely station wall requesting a cook at the Croxley Ranch. But when her runaway husband is found dead in a gully with a bag full of jewels, the sheriff naturally pins Rachel as an accomplice. Will her new employer, the handsome Duke Croxley, also abandon Rachel to her fate, or fight to see her return to his ranch and bring her child into a warm home rather than a cold cell?
