

## BRIDE OF DUTCH FLATS: WESTERN NOVELETTE

One of the six McAllister brothers needed to marry before they all starved. Not a one of them knew how to cook or do much of anything around the house. Tyrus, the youngest brother, decided he was the one to make the sacrifice and asked Peggy Ann Knoll to be his wife. Peggy Ann had one condition before accepting. She wanted a house where she could get away from the six smelly McAllister males. Tyrus wondered if Peggy Ann included him in the smelly males. Only time would tell if he could persuade Peggy Ann he wanted a wife not just someone to cook and clean.
