This ebook anthology contains three beloved Mariah Stewart novels in her classic Enright Family Collection. Devlins Light India Devlin has always appreciated her familys legacy: the lighthouse and the Delaware beachfront property named after it. As an adult, India is far more dedicated to her job as a criminal prosecutor in a nearby big city than she is to her hometown ties. When her brother Ry is murdered without explanation at the lighthouse, India is compelled to return home seeking answers. In Devlins Light she finds far more than the answers to the mystery concerning her brothers death; she finds an exciting and passionate new lover, Nick Enright; her brothers newly orphaned daughter; and her own aging aunt. India is torn between family ties, responsibility, and desire. Instead of finding resolution, she finds herself confronted with new choices, and is surprised to find that by returning to her small-town roots she enlarges her world. Moon Dance At the age of 26, Georgia Enrights dreams of becoming a lead dancer are fleeting. So she ventures to Pumpkin Hill, an old farm owned by her newly found half-sister, Laura Bishop, to contemplate her future. There she discovers the simple pleasures of country life--until Matthew Bishop shows up. Wonderful You Twenty-eight, single, and struggling to keep her funky little shop of handicrafts afloat, Zoey Enright never thought she would become a celebrity like her mother, an internationally acclaimed mystery writer. But to her surprise, a knockout audition lands her a plum job as an on-air saleswoman for the Home MarketPlace home-shopping network. Unbeknownst to Zoey, the HMPs wily CEO, Delaney OConnor, has set out to bring his only grandson, Ben Pierce -- the hero of Zoey's childhood -- home from Europe to run the network. Bens one true passion was grand prix racing -- until he laid eyes on Zoey again. But suddenly, a

near-fatal accident brought his driving career to a screeching halt. Coming back to the States brings him face-to-face with not only an all-grown-up Zoey, but his own haunted past as well. Forced to confront painful emotions he crossed an ocean to forget, Ben finds that he must barter his old dreams for new ones if he and Zoey are to claim the wonderful future they were meant to share.
