

Marys Blessing (McKennas Daughters)

When her mother dies, Mary Lenora must grow up quickly to take care of her brothers and sisters. Can love help her to shoulder the burden? Mary Lenora Caine knows she is adopted. As she was growing up, her mother called her Gods blessing. But now that shes gone, Mary no longer feels like any kind of blessing. Her father, in his grief, has cut himself off from the family, leaving the running of the home entirely in Marys hands. As she nears her eighteenth birthday, Mary cant see anything in her future but drudgery. Then her childhood friend Daniel begins to court her, promising her a life of riches and ease. But her fairy-tale dreams turn to dust when her family becomes too much for Daniel, and he abandons her in her time of deepest need. Will Daniel come to grips with Gods plan for him? And if he does return, can Mary trust that this time he will really follow through?
